

The Mini-Franciscans #5

June 8, 2020

(keeping in touch during social distancing)

This Mini-Franciscan will focus on the newest opportunity for us to stay connected during this time of social distancing. Every Monday through Thursday at 12 noon Rev. Kate “pops up” on the St, Francis Episcopal Church, Goldsboro, NC Facebook page.

She invites you to join her and comment on the live feed. If noon does not fit with your schedule, you can always view anytime convenient for you and comment then as

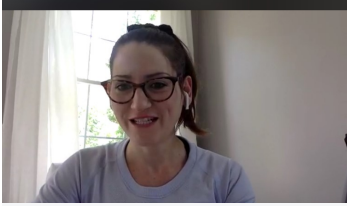

well. #stfrancisremainsconnected

 Today's Noonday Prayer brought to you by fussy babies and loud noises. Still getting the hang of it, but we will get there! Look forward to joining you in prayer tomorrow afternoon!

 Thank you, Kate, for this oasis in our day where we can stop to refresh our minds and hearts.

 I really like that I can join later in case I am not home at noon. Thank you for doing this.
